HOW IT WORKS

1

First, sign up for SOUNDMACHINE on the Bogen system: On the Navigation panel go to Audio, select Internet Radio Services, select Add Source and click on Sign Up.

2

Choose between Business and Business Premium in the bottom right of the Registration Page

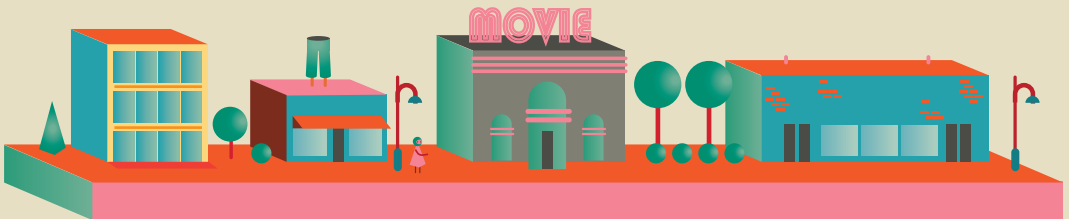

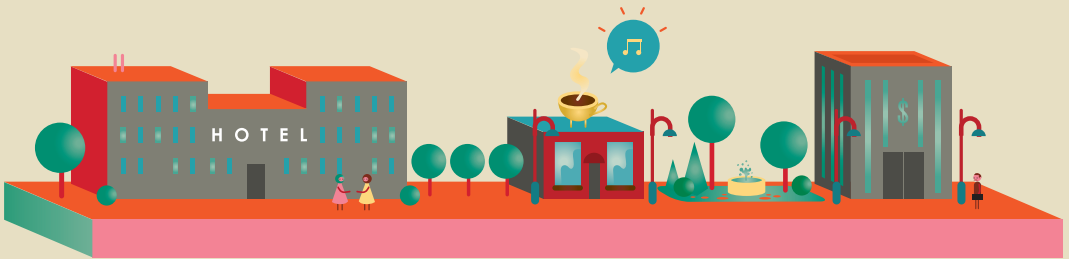

3

You will receive the password in your email inbox. Make sure to check your spam folder if you don't see an email from us!

4

You can now sign in to the Bogen platform with your newly received credentials. Your username is your email address.
